MAGICSTRAP® **muRata**

Turn your PCB into a RFID Tag!

Make your PCB "Smart" using MAGICSTRAP®

Conventional PCB

MAGICSTRAP®

Smart PCB with RFID tag function

Anti-Counterfeit

Traceability

- Standard SMT component
- UHF EPC Global Standard
- Read and Write capability
- RFID communication range up to 5m

Supply Chain Management

Access product information through layers of packaging!

RFID Reader/Writer

MAGICSTRAP®

Production Tracking • Inventory Control • Logistics Tracking
Product Authenticity • Warranty & Return Tracking
